From the Manager

We are continuing our new column this month with our Co-op Connections Corner spotlighting local businesses that partner with us to give our membership discounts on goods and services. Our co-op Connections Card has gone digital, with a new app available on Apple and Android devices. With the new app, you can search for local discounts, book hotel and concert reservations through iBennie, receive prescription discounts, earn cash back and more! We encourage our members to download the app and start saving today. If you are a local business that would like to take part in this free program, please email us at CoopConnections@ceci.coop. We look forward to working with you!

As a member of Clay Electric Co-operative, you are more than just a customer. As a member, you enjoy benefits that other electric consumers do not. One of those is the

payment of capital credits. CECI is a not-for-profit electric cooperative, which means that when we register a profit at the end of the year, we record it and give that money back to the members that paid it. We paid back multiple years' worth of capital credits last year and look to maintain that trend moving forward. We are on track to get caught up with capital credit retirements and get your money back to you, but we need your help. In this issue of Illinois Country Living, you will find a list of unclaimed capital credits. If you see someone on the list that you know, please tell them to contact the office. That way, we can get their refund to them.

I would like to take a moment to express my appreciation to our linemen and line clearance personnel. The hard work of our linemen and the success of our tree trimming program has greatly increased the

reliability of our system. The efforts of our crews has led to fewer blinks and outages across the system that brings a better quality of power to our membership. **13907-001**

As you flip through your newsletter, keep your eyes peeled for your member number. There are three member numbers hidden in Clay Electric News. If you find your number and give us a call, you win \$5 off your next bill!

MEMBER PRIZES

Every month we will have three member numbers hidden throughout Clay Electric News. If you find your member number that corresponds to the one found on the upper right corner of your bill, call our office and identify your number and the page it's on. If correct, you will win a \$5 credit on your next electric bill.

CO-OP CONNECTIONS CORNER

Clay Electric Co-operative is proud to announce the new Co-op Connections app for your Apple or Android device. You may remember the Co-op Connections discount card. We would like to take a moment to thank our member businesses for partnering with us to provide you with discounts. This corner of our newsletter will be dedicated to highlight the businesses that work with us to provide tremendous services and discounts to our membership. If you are a business owner interested in partnering with Clay Electric Co-operative, please call our office at 618-662-2171 or email CoopConnections@ceci.coop.

There is no cost to the program. We help our members connect with local businesses and get some great discounts. It's a win-win.
